REGULATIONS FOR CLASSES IN THE SUBJECT INTEGRAL PEDIATRIC DENTISTRY

For students of the V year of the Integral Pediatric Dentistry program,
in the Department of Pediatric Dentistry
The Faculty of Medical Sciences in Zabrze
in the academic year 2025/2026

Head of the Department dr n. med. Danuta Ilczuk-Rypuła
Course Coordinator dr n. med. Lech Borkowski.

Classes for the subject Integral Pediatric Dentistry are conducted in accordance with the Study Regulations of the Medical University of Silesia in Katowice, constituting the Appendix 1 to Resolution 49/2025 of the Senate of SUM of July 16, 2025. and these Regulations.

§1

Principles of participation in the classes

1. Classes (lectures, seminars, exercises) are held according to the schedule set by the Dean. For remote classes, the Head of the Department may change the schedule; information regarding the date and platform used will be announced on the Departmet's website https://www.swr.sum.edu.pl.
2. Attendance at all forms of classes (lectures, seminars, and exercises) is mandatory.
3. The student must attend classes with the student group assigned to them for the given academic year or in accordance with the IOS implementation plan approved by the Dean.
4. Students are required to arrive punctually for in-person classes and log in punctually for e-learning classes.
5. Students must come prepared for the class based on the provided reading materials. Lack of preparation will be considered as a failure to pass the class.
6. During classes held at the University, the student is obligated to:
   - Maintain medical confidentiality and adhere to data protection laws in line with GDPR,
   - Abide by the oath and regulations of SUM, including respecting the dignity of all participants in the learning process and upholding the good name of the University,
   - Comply with health and safety regulations,
   - Complying with the rules/regulations in force at the place where classes are conducted (Hospitals, Clinics, UCS, CSM, etc.);
   - Use personal protective equipment as instructed by the Department
7. Students must care for the teaching environment, ensuring cleanliness and the proper condition of the equipment used. Any defects should be reported to the academic staff. In the event of damage, a Equipment Damage Report will be prepared. Students are liable for intentional damages.
8. Food consumption and bringing unnecessary personal items into class are prohibited; personal items should be stored in the cloakroom.

9. At the place where classes are held, the Student is obliged to comply with the prohibitions specified in the Regulations of Studies at the Medical University of Silesia, including, among others:
   - consuming alcohol or being present on University premises under the influence of alcohol,
   - possessing, using, or distributing narcotic drugs and psychoactive substances, or being present on University premises under their influence,
   - bringing onto or using on University premises objects that pose a threat to life or health.
10. The use of electronic devices and audiovisual recording is strictly prohibited during classes and assessments.
11. All teaching materials are protected by intellectual property rights. Any violation (e.g., recording, photographing, copying) will result in disciplinary action.
12. The Student is required to notify the Dean of any cases of violations of the rules and regulations in force at the University.

§ 2

Rules for Excusing Absences and Making Up Classes

1. Every absence from classes must be justified in accordance with §15 of the Study Regulations at SUM.
2. Missed classes should be made up with another group at a time agreed with the Unit Head or their representative.
3. Regardless of the reason for absence, students must undergo a verification of the acquired learning outcomes under terms set by the Unit Head or their representative

§3

Rules for Completing the Classes

1. The condition for passing the course is attendance in all scheduled forms of classes (exercises) and receiving positive grades in all assessment tests (oral or written) that verify learning outcomes.
2. In case of a student's absence from an assessment test on the scheduled date, they may attend the next date set by the teacher, which will be treated as a retake.
3. The student has the right to retake each assessment test twice.
4. If the student fails the test despite twice retake attempts, they are entitled to take a comprehensive assessment test (oral/written) covering the entire material included in the course (exercises).
5. The dates of assessment tests are determined by the Head of the Unit conducting the course.
6. Failure to attend the assessment test on the date set by the Head of the Unit results in the loss of that assessment opportunity.

§4

Final Course Credit Rules - Pass with a Grade (PG)

1. The form of the final course assessment Pediatric Integral Dentistry is a graded credit after the X semester.
2. On a given day, the Student may take an exam / graded credit only in one course.
3. A prerequisite for taking the final course assessment is obtaining credit for all classes in the course.
4. The date of the final course assessment is set and announced to Students in accordance with §19 of the Study Regulations at SUM.
5. The scope of the assessment includes materials from classes, and the recommended literature.
6. Grading involves verification of learning outcomes in terms of knowledge and skills.
7. If a Student is unable to attend the assessment, they must inform the Course Instructor immediately, no later than within 3 working days after the reason for the absence has ceased.
8. If a Student receives a failing grade at the first attempt, they are entitled to 2 resit attempts.
9. During the assessment, the Student is strictly prohibited from contacting other persons, either directly or via electronic devices, and from using any unauthorized materials.
10. A positive grade obtained in the assessment is final.

§5

Rules for consultations with the academic teacher

Consultations with the academic teacher are conducted according to the schedule available on the Unit's website http:// www.swr.sum.edu.pl

§6

Ongoing administrative matters related to teaching

1. Matters related to teaching, such as submitting requests for making up classes, should be handled electronically:
   a. contact with the Department's office: email address: http:// www.swr.sum.edu.pl ,
   b. contact with the Exercise Supervisor, dr n. med. Iwona Wysoczańska-Jankowicz.: email address: ijankowicz@sum.edu.pl
2. Electronic correspondence with SUM employees and entities should be conducted via the student's email account.
3. The student is obliged to read messages sent to their account in the domain s…..@365.sum.edu.pl.

§7

Disputed issues and those not covered by these regulations will be resolved in accordance with the current Study Regulations of the Medical University of Silesia in Katowice, which constitutes Annex No. 1 to Resolution No. 49/2025 of the SUM Senate dated July 16, 2025.

§8

Depending on the current epidemic situation and the resulting Ordinances of the Rector of the Medical University of Silesia, changes to the mode and form of conducting classes, assessments, and exams may be introduced .

§9

The regulations come into effect on October 1, 2025.
